

**The Fall Song**  
**Bridgit Mendler**

This is my first tab, so yeah, I love this song, and since no one else posted it,  
I thought I might as well give it a shot. If you listen to it as well it will help  
with as to where the chords come in x

Intro: **G**

Verse 1

**G**

Set your clock back, looking at the map wondering

**D**

Where you'll be at, 'cos it's so bad

**Em**

When you're not around

**C**

You're never around

**G**

It used to be you and me, holding hands, smouldering

**D**

Kicking up leaves, taking 'bout getting older

**Em**

but now

**C**

You're not around

Pre chorus

**Em**

You'll never be a rhyme or a reason

**C**

For when it rolls around to this season

**Em**

**C**

When all their leaves start their turning

**Em**

**D** (single stroke)

and you start to burn again in my brain

Chorus

**Em C**

**G**

**D**

I'm falling for you

**Em**

I m falling

**C G D**

I can t forget you

**Em**

Now it s cold and

**C**

**G**

All of the leaves on all of the trees

**D**

**Em**

are falling with me down to the ground and

**C A**

I m falling for you

Verse 2

(Repeat same chords as verse 1)

You re like a good book snuggled up on the sofa

when it s raining outside but I m warm cos I feel you around

But you re so outta town

I kinda wanna call but I bet that you re busy

With that fancy new job and the fall won t affect you like how

It makes me feel now

Pre chorus 2

**Em C**

October s so overwhelming and all of my friends they tell me

**Em C Em D(single)**

November it will get better but I still see you all over the place

Chorus

**Em C G D**

I m falling for you

**Em**

I m falling

**C G D**

I can t forget you

**Em**

Now it s cold and

**C**

**G**

All of the leaves on all of the trees

**D**

**Em**

are falling with me down to the ground and

**C Am**

I m falling

**D Am (single stroke)**

I m falling

Bridge (single stroke [ss])

**Em(ss)**

Oh you are like sunshine with a chance of rain I

**Am(ss)**

**C(ss)**

Love the cool crisp air and I don't care

**Em**

**C**

**Am**

If you're near, cos I feel you like you're here

**D**

You're everywhere

Chorus

**Em C**

**G**

**D**

I'm falling for you

**Em**

I'm falling

**C**

**G**

**D**

I can't forget you

**Em**

Now it's cold and

**C**

**G**

All of the leaves on all of the trees

**D**

**Em**

are falling with me down to the ground and

**C**

**Am**

I'm falling

**D**

**Em(ss)**

I'm falling

**C(ss)**

**D(ss)**

I'm falling for you
