

**Beginners Mind**  
**Bright Eyes**

Track 8 of The People s Key, Bright Eyes final album.

Capo 1

**F** **A**  
Hold on tight beginners mind,  
**Dm** **C**  
The wheel is spinning too  
**Gm** **C**  
Fast to make your move  
**A** **Dm**  
The worst must be assumed  
**F** **A**  
Oh how they ll try to pull and pry  
**Dm** **C**  
Away what you know now  
**Gm** **C**  
Beat and beat it out  
**A** **Dm**  
Leave a drum that makes no sound  
**Bb** **A** **Gm** **C**  
A snuff film on a Jumbo-tron for all the world to see  
**Gm** **C**  
A cocktail napkin epitaph  
**F** **Dm**  
Some psychobabble telegram  
**Gm** **C**  
Message written in the sand  
**F** **Dm**  
The tide rolls in  
**Gm** **C**  
Swear you ll do the opposite  
**F** **Dm**  
Of all those tangled hypocrites  
**Gm** **C** **F**  
Who say that the experiment has failed  
**Dm**  
Don t go there  
**Bb**  
You re getting nowhere  
**C**  
You re getting nowhere  
**F** **A**  
Stay a while my inner child  
**Dm** **C**

I d like to learn your trick

**Gm** **C**

Know what makes you tick

**A** **Dm**

Nurse you when you re sick

**F** **A**

Oh how you ve grown so cynical

**Dm** **C**

Hard lines carved in your face

**Gm** **C**

The sunshine so cliche

**A** **Dm**

Just like love and pain

**Bb** **A** **Gm** **C**

You tried your best on the Rorschach test but there s just nothing to see

**Gm** **C**

Heard terabytes of perfect pitch

**F** **Dm**

Some universal elegance

**Gm** **C**

Stack the seventh and the fifth

**F** **Dm**

Along the grid

**Gm** **C**

Swear you ll be the opposite

**F** **Dm**

Of all the stilted hypocrites

**Gm** **C** **F** **Dm**

You know what made you infamous to them, don t you?

**Bb**

You keep starting over

**C**

You keep starting over

**A**

You keep starting over

**Dm**

You keep starting over

**Bb**

Keep starting over

**C**

Keep starting over

**F** **A**

Hold on tight beginners mind

**Dm** **C**

The currents far too strong

**Gm** **C**

It will carry you along

**A** **Dm**

Till you re just like everyone

**F**                      **A**  
Stay a while my inner child  
      **Dm**                      **C**  
I d like to learn your trick  
**Gm**                      **C**  
Know what makes you tick  
**A**                      **Dm**  
Nurse you when you re sick

**Bb A Gm C**
