G C

```
Breezy
Bright Eyes
This is just another way to play this i guess. It just seems better this way.
CAPO 6
Move your slender fingers
Help me play this song
Spend another night inside this rented mansion
 Am
I love you now
I know that doesn t matter
 Am
I love you now
I know that doesn t matter
G C
Kissing me full of beer, tequila, weed, and candy
Walking down the boardwalk
Act like we were married
You always made it easy
Then I d want you more
Am
You always kept it easy
Then I d want you more
G
Too smart for your own good
Too sweet, too logical
Statistics round your head
Tried to teach me about baseball
My favorite was the part when they make it home
I like it when they steal, and when they make it home
```

```
You left us with a sorrow too unreal to help
G C
Heard the birds sound broadcast speakers at the Phoenix hotel
All your friends are standing, crying, on the sidewalk
Am C
All your boyfriends, they were standing crying on the sidewalk
Breezy, I feel dizzy
Can you help me up?
It s crowded at the back door
How we getting to the bus?
Am C
I d like to help you find it if there s something better
Yeah, I ll try and help you find it if there s something better
Move your slender fingers
Help me play this song
Spend another night inside this practice mansion
Αm
I love you now
I know that s all that matters
Am
I love you now
```

And I know that s all that matters
