I know that it is freezing but i think we have to walk
keep waving at the taxis they keep turning their lights off

When everything is lonely i can be my own best friend
I get a coffee and the paper have my own conversations
with the sidewalk and the pigeons and my window reflection
the mask i polish in the evening by the morning looks like shit

And I know you have a heavy heart, I can feel it when we kiss
So many men stronger than me have thrown their backs out trying to lift it
But me i m not a gamble you can count on me to split
The love I sell you in the evening by the morning won t exist

You re looking skinny like a model with your eyes all painted black
Just keep going to the bathroom always say you ll be right back
Well it takes one to know one kid i think you ve got it bad
But whats so easy in the evening by the morning s such a drag

I ve got a flask inside my pocket we can share it on the train
And if you promise to stay conscious i will try and do the same
Yeah we might die from medication but we sure killed all the pain
But what was normal in the evening by the morning seems insane

And i m not sure what the trouble was that started all of this
The reasons all have run away but the feeling never did
It s not something i would recommend but it is one way to live
Cause what is simple in the moonlight by the morning never is
Yeah it was simple in the moonlight now it s so complicated
It was so simple in the moonlight, so simple in the moonlight, so simple in the
moonlight.
