This is my first tab, I hope it s to help!

VERSE 1:

**E** / / / | **A** / / / | **B** / / / | **E**  
/ / / |  
                  My friend you were the model,                   A priceless work of  
art

**E** / / / | **A** / / / | **B** / / / | **B**  
/ / / |  
                  Boys would fashion their e-motions                   to the pattern of your heart

**E** / / / | **A** / / / | **B** / / / | **E**  
/ / / |  
                  And I heard you wrote that record                   for a girl you loved but  
died

**E** / / / | **A** / / / | **B** / / / | **B**  
/ / / |  
                  I m here sewing mine to-gether                   just hoping you re alive

CHORUS:

**Fm** / / / | **B** / / / | **Fm** / / / | **B**  
/ / / |  
                  And I know you ll never come back now to the world where people are

**E** / **B** / | **A** / / / |  
                  cause you ne - ver un - der - stood what they loved you for

**E** / / / | **B** / / / | **A** / / / | **A**  
/ / / |

**E** / / / | **B** / / / | **A** / / / | **A**  
/ / / |

VERSE 2:

**E** / / / | **A** / / / | **B** / / / | **E**

/ / / |  
Now ghosts, they have their secrets and they ll tell them to a  
few

E / / / | A / / / | B / / / | B  
/ / / |  
So you could never pay atten-tion when they re whispering to you

E / / / | A / / / | B / / / | E  
/ / / |  
There were many talents you possessed That I wished myself to  
have

E / / / | A / / / | B / / / | B  
/ / / |  
But the way your eyes would gloss over Well, I never envied that

CHORUS:

Fm / / / | B / / / | Fm / / / | B  
/ / / |  
And I doubt you ll ever come back now from wherever it is you are

E / B / | A / / / |  
cause you ne - ver un - der - stood what we loved you for

STICK:

C#m / / / | C#m / / / |

G# / / / | G# / / / | C#m / / / |  
C#m / / / |

G# / / / | G# / / / | A / / / | A  
/ / / |

VERSE 2:

E / / / | A / / / | B / / / | E  
/ / / |  
I m sure the TV sets will tell us When someone reinvents the wheel  
Til then

E / / / | A / / / | B / / / | B  
/ / / |  
I ll have a million convers - ations About shit that isn t real

E / / / | A / / / | B / / / | E  
/ / / |  
But I ve tried to breathe in meaning Dig deep to every gasp of  
air

**E** / / / | **A** / / / | **B** / / / | **B**  
/ / / |  
          cause I know you did the same thing for as long as you could  
bear

CHORUS:

**Fm** / / / | **B** / / / | **Fm** / / / | **B**  
/ / / |  
          I guess everything just circles round to where it was before

**E** / **B** / | **A** / / / |  
          So I hope I see you soon In some other form

**E** / / / | **B** / / / | **A** / / / | **A**  
/ / / |

**E** / / / | **B** / / / | **A** / / / | **A**  
/ / / |

**E** / / / | **B** / / / | **A** / / / | **A**  
/ / / |

**E** / / / | **B** / / / | **A** / / / | **A**  
/ / / |
