[Verse 1]

(Play **C** Continuously)

The sun came up with no conclusion  
It s flowers sleeping in their beds  
The cities cometary s humming  
I m wide-awake, it s morning

I have my drugs, I have my woman  
They keep away my loneliness  
My parents have they have their religion  
But sleep in separate houses

[Chorus]

<b>Em</b>		<b>Am</b>
I	read the body count out of the paper	
<b>F</b>	<b>G</b>	<b>C</b>
And now it s written all over my face		
<b>Em</b>		<b>Am</b>
No one ever plans to sleep out in the gutter		
<b>F</b>	<b>G</b>	<b>C</b>
Sometimes that s just the most comfortable place		

[Verse 2]

So I m drinking, breathing, writing, singing

Everyday up on the clock  
My mind races with all my longings  
But cant keep up with what I got

I hope I don t sound too ungrateful  
What history gave modern man  
The telephone to talk to strangers  
Machine guns and the camera lens

[Chorus]

So when you re asked to fight a war that s over nothing  
It s best to join the side that s gonna win  
And no one s sure how all of this got started  
But we re gonna make them goddam certain how its gonna end  
Oh ya we will, oh ya we will!

[Verse 3/Outro]

(C Continuously)

Well I could have been a famous singer  
If I had someone else s voice  
But failure s always sounded better  
Lets fuck it up boys, make some noise!

The sun came up with no conclusion  
It s flowers sleeping in their beds  
The cities cometary s humming  
I m wide-awake, it s morning
