[Verse 1]

(Play **C** Continuously)

The sun came up with no conclusion
It s flowers sleeping in their beds
The cities cometary s humming
I m wide-awake, it s morning

I have my drugs, I have my woman
They keep away my loneliness
My parents have they have their religion
But sleep in separate houses

[Chorus]

Em		Am
I	read the body count	out of the paper
F	G	C
And	now it s written	all over my face
Em		Am
No	one ever plans	to sleep out in the gutter
F	G	C
Sometimes	that s just	the most comfortable place

[Verse 2]

So I m drinking, breathing, writing, singing

Everyday up on the clock
My mind races with all my longings
But cant keep up with what I got

I hope I don t sound too ungrateful
What history gave modern man
The telephone to talk to strangers
Machine guns and the camera lens

[Chorus]

So when you re asked to fight a war that s over nothing
Em **Am**
F **G** **C**
It s best to join the side that s gonna win
Em **Am**
And no one s sure how all of this got started
F **G** **C**
But we re gonna make them goddam certain how its gonna end
C
Oh ya we will, oh ya we will!

[Verse 3/Outro]

(**C** Continuously)

Well I could have been a famous singer
If I had someone else s voice
But failure s always sounded better
Lets fuck it up boys, make some noise!

The sun came up with no conclusion
It s flowers sleeping in their beds
The cities cometary s humming
I m wide-awake, it s morning
