

I Lost Her Brighten

I Lost Her - Brighten

This is just straight chords, it s more of an acoustic version of the song if you don t want to play the finger picking version.

Capo on 1

Em
There s a hole in my heart
Cadd9
which you used to get your air
Am **C**
It won t beat again for at least another year.

Em **Cadd9**
You cut it out yourself, so you wont suffocate in there
Am **C**
Your patience is losing to your fear,

Em
When collecting angels come
Cadd9
I will rush to find your prayers
Am **C**
They re buried in the closet under the stairs

Em
under boxes of my dreams
Cadd9
and the clutter of my fears
Am **C**
my selfishness is probably why they re here

Em
and I kept digging my own grave
Cadd9
I m close to 30 miles deep
Am **C**
I can taste the other side and it isn t pretty

Em
and I left my lover in a bottle
Cadd9
and I threw it out to sea
Am **C**

as soon as she left my fingertips I prayed she come back to me

D

come back to me baby

G-D-Em-C

I lost her (7x)

Em

I will never stitch the hole you cut

Cadd9

In hopes that you will return to me

Am

C

I will work to be a man yes you will see

Am

C

(D)

yes I will work to be your man yes you will see.

End on **G**
