

**Tell Me That You Love Me**  
**Brilhante Victoria**

[Intro] **G#m A B C#m G#m A**

**B C#m G#m A**  
The situation turns around enough to figure out

**B C#m**  
That someone else has let you down

**E F#m**  
So many times I don t know why

**E A**  
But I know we can make it

**B**  
As long as you say it

**A B E**  
So tell me that you love me yeah

**A B C#m**  
And tell me that I take your breath away

**A G# C#m G#**  
And maybe if you take one more than I would know for sure

**B E**  
There s nothing left to say

**A B E A**  
Tell me that you love me anyway

**B C#m**  
Tell me that you love me anyway

**G#m A**  
Ohhh

**B C#m G# A**  
Waking up beside yourself and what you feel inside

**B C#m**  
Is being shared with someone else

**E F#m**  
Nowhere to hide I don t know why

**E A**  
But I know we can make it

**B**  
As long as you say it

**A B E**  
So tell me that you love me yeah

**A B C#m**  
And tell me that I take your breath away

**A G# C#m G#**  
And maybe if you take one more than I would know for sure

**B E**  
There s nothing left to say

**A**                    **B**                    **E**  
Tell me that you love me anyway

**F#m**       **E**                            **A**       **B**                    **C#m**  
Show me look what we found turn it around every day

**A**  
I can hear what you say

**E**                            **F#m**       **B**  
Now I know why I know we can make it

**A**    **B**    **E**  
So tell me that you love me yeah

**A**                    **B**                    **C#m**  
And tell me that I take your breath away

**A**    **G#**    **C#m**  
And maybe if you take one more

**B**       **C#**    **F#**  
So tell me that you love me yeah

**B**                    **C#**                    **D#m**  
And tell me that I take your breath away

**B**    **A#**    **D#m**    **A#**  
Maybe if you take one more than I would know for sure

**C#**                            **G#**  
There s nothing left to say

**B**                            **C#**                    **F#**  
Tell me that you love me anyway
