

Blasphemy

Bring Me The Horizon

Am **F** **C** **G/B**
You got hell to pay but you already sold your soul

Am
It s blasphemy

F **C** **G/B**
But the words don t make sense no more

Am **F** **C** **G/B**
What would your mother say, your faith that you ignored

Am **F** **C**
So don t try to tell me that you still believe
No don t preach to me

2x:

(**Am G F C Dm**)
(**Am G F C G/B**)

(**Am F C G/B**)
(**Am F C G/B**)

Am

Ask no questions and you ll get no lies

F **C** **G/B**

Turn the cheek and blind the eye

Am F C G/B

Let it go

Am

Bend the knee and give away your life

F **C** **G/B**

Bite your tongue and close your mind

Am F C G/B

Never know
