[Verse]

Em **D**
Eyes like a car crash
C **D**

Em **D**
Body like a whiplash,
C **D(optional)**
Salt my wounds but I can t heal the way
I feel about you.

Em **D**
I watch you like a hawk
C **D**
I watch you like I m gonna tear you limb from limb
Em **D**
Will the hunger ever stop?
C **D**
Can we simply starve this sin?

[Chorus]

Em **D**
That little kiss you stole
C
It held my heart and soul
D
And like a deer in the headlights I meet my fate
Em **D**
Don t try to fight the storm
C
You ll tumble overboard
D
Tides will bring me back to you
Em **D** **C** **D**
And on my deathbed, all I ll see is you
Em **D**
The life may leave my lungs
C **D**
But my heart will stay with you

That little kiss you stole
It held my heart and soul
And like a ghost in the silence I disappear
Don't try to fight the storm
You'll tumble overboard
Tides will bring me back to you

Em	D
The waves will pull us under	
C	D
Tides will bring me back to you	
The waves will pull us under	
Tides will bring me back to you	
The waves will pull us under	
Tides will bring me back to you	
Tides will bring me back to you	

That little kiss you stole
It held my heart and soul
And like a ghost in the silence I disappear
Don't try to fight the storm
You'll tumble overboard
Tides will bring me back to you

That little kiss you stole
It held my heart and soul
And like a deer in the headlights I meet my fate
Don't try to fight the storm
You'll tumble overboard
Tides will bring me back to you
