[Verse]

Em **D**
Eyes like a car crash
C **D**
I know I shouldn t look but I can t turn away.
Em **D**
Body like a whiplash,
C **D(optional)**
Salt my wounds but I can t heal the way
I feel about you.

Em **D**
I watch you like a hawk
C **D**
I watch you like I m gonna tear you limb from limb
Em **D**
Will the hunger ever stop?
C **D**
Can we simply starve this sin?

[Chorus]

Em **D**
That little kiss you stole
C
It held my heart and soul
D
And like a deer in the headlights I meet my fate
Em **D**
Don t try to fight the storm
C
You ll tumble overboard
D
Tides will bring me back to you
Em **D** **C** **D**
And on my deathbed, all I ll see is you
Em **D**
The life may leave my lungs
C **D**
But my heart will stay with you
