

Drown

Bring Me The Horizon

Verso:

A
What doesn't kill you
C#m **B**
Makes you wish you were dead
A
Got a hole in my soul growing deeper and deeper
C#m **G#m**
And I can't take
A
One more moment of this silence
C#m **G#m**
The loneliness is haunting me
A **C#m** **G#m**
And the weight of the worlds getting harder to hold up

Pré-Refrão:

A
It comes in waves
A
I close my eyes
C#m
Hold my breath
G#m
And let it bury me
A
I'm not ok
A
And it's not all right
C#m
Won't you drag the lake
G#m
And bring me home again

Refrão:

A **C#m**
Who will fix me now?
A
Dive in when I'm down?
C#m
Save me from myself
G#m **A**
Don't let me drown
C#m

Who will make me fight?

A

Drag me out alive?

C#m

Save me from myself

G#m

A

Don't let me drown
