Oh No
Bring Me The Horizon

Intro 2x: **F Am Em**

F   **Am Em**
You don t have to lie, I know exactly where you ve been
F   **Am   G**
Cause you re chewing off my ear while you re chewing on your chin

                              F
No we re not on the level, you re just off your face
                         Am   **Em**
It s not a state of mind though, your head s just in a state
                          F
I may be on the outside but you re empty within
                                Am   **G**
It s getting kind of old now, I think it s time to pack it in

F   **Am**
 Don t call it a party cause it never stops
                        Em   **F**
Now one is too many but it s never enough

                                                                          Am
Don t tell me you re happy cause this isn t love
        G   **F Am**
So be careful what you wish for
        Em   **F Am Em**
So be careful what you wish for

F   **Am   Em**
Who you re trying to fool, you know you re in over your head
F   **Am   G**
Cause you re holding onto heaven but you re hanging by a thread

                              F
No we re not on the level, you re just off your face
                         Am   **Em**
It s not a state of mind though, your head s just in a state
                          F
I may be on the outside but you re empty within
                                Am   **G**
It s getting kind of old now, I think it s time to pack it in

F   **Am**
 Don t call it a party cause it never stops
                        Em   **F**
Now one is too many but it s never enough

                                                                          Am
Don t tell me you re happy cause this isn t love

```
      G                         F  Am
So be careful what you wish for
      Em                            F  Am  G
So be careful what you wish for

( F G Am Em ) (6x)

F                                       G
 Don t call it a party cause it never stops
            Am            Em      F
Now one is too many but it s never enough
                                    G
Don t tell me you re happy cause this isn t love
So be careful what you wish for

( F Am Em )
( F Am G )

F                                     Am
 Don t call it a party cause it never stops
            Em                    F
Now one is too many but it s never enough
                                    Am
Don t tell me you re happy cause this isn t love
      G
So be careful what you wish for
F                                     Am
 Don t call it a party cause it never stops
            Em                    F
Now one is too many but it s never enough
                                    Am
Don t tell me you re happy cause this isn t love
      G
So be careful what you wish for

( F G Am Em )
( F G Am Em )
