

Run
Bring Me The Horizon

verse 1

Bm **G**
My heart s a hieroglyph, it talks in tongues
Em **G**
Ten thousand voices fill my broken lungs
Bm **G** **Em** **G**
But through the white wave, I still hear it call
Bm **G**
So take a deep breath, let s disappear
Em **G**
No one will listen so why are we still here
Bm **G** **Em**
And in the black hole you will see it

Bm **G**
Cause this is not enough
Em **G**
And I won t wait for them to cut me up
Bm **A**
So give me all you ve got
Em **G**
They ll never stop until they see us fall
Bm
So let s run
Bm
So let s run

verse 2

Bm **G**
Your hand s a hurricane, it moves in waves
Em **G**
A perfect storm that keeps you wide awake
Bm **G** **Em** **G**
But through the silence, you will feel it burn
Bm **G**
So take my hand and let s run away
Em **G**
You know there s nothing here to make us stay
Bm **G** **Em**
And in the darkness you will see the sun

Bm G
Cause this is not enough
Em G
And I won't wait for them to cut me up
Bm A
So give me all you've got
Em G
They'll never stop until they see us fall

Bridge

G Em
So let's run away cause everything's broken
G A
And we're so much more than another brick in the grave
Em
So give me your every, give me your everything
G
And let's get away
Em
Cause everything's broken
G A
I know that we're more than another brick in the grave
Em
So give me your every, give me your everything

Break

G Bm A Em

G
Cause this is not enough
Bm
And I won't wait for them to cut me up
A
So give me all you've got
Em
They'll never stop until they see us fall
Bm G Em G
So let's run
Bm A Em G

Bm G
Cause this is not enough
Em G

And I won't wait for them to cut me up

Bm

A

So give me all you've got

Em

G

They'll never stop until they see us fall

Bm

So let's run

So let's run

So let's run
