## Bring Me The Horizon

verse 1

Bm G

My heart s a hieroglyph, it talks in tongues

Erm. G

Ten thousand voices fill my broken lungs

Bm G Em G

But through the white wave, I still hear it call

Bm G

So take a deep breath, let s disappear

Em G

No one will listen so why are we still here

Bm G Em

And in the black hole you will see it

Bm G

Cause this is not enough

Em

And I won t wait for them to cut me up

Bm A

So give me all you ve got

Em G

They ll never stop until they see us fall

Bm

So let s run

 $\mathbf{Bm}$ 

So let s run

verse 2

Bm G

Your hand s a hurricane, it moves in waves

Em G

A perfect storm that keeps you wide awake

Bm G Em G

But through the silence, you will feel it burn

So take my hand and let s run away

Em G

You know there s nothing here to make us stay

Bm G Em

And in the darkness you will see the sun

Bm G
Cause this is not enough
Em G
And I won t wait for them to cut me up
Bm A
So give me all you ve got
Em G
They 11 never stop until they see us fall

Bridge

G Em

So let s run away cause everything s broken
G A

And we re so much more than another brick in the grave
Em

So give me your every, give me your everything

And let s get away

Em

Cause everything s broken

I know that we re more than another brick in the grave

Em

So give me your every, give me your everything

Break G Bm A Em
