So out of eden
Don t look back now
But don t touch me
I wont let you
Down in my town
Lay down girly
But don t touch me
I wont let you

I believe in us

And any time that your walls start coming down
I ll be there in the front seat
Yelling run the red light
Run the red light
Run it
I hate the way that I don t say what I want
What I want
Is the world what you want
Run the red light
Run the red light
Make some noise

So drive your car into the ocean
But don t kiss me
I wont let you

Make some headlines
Call your family
But don t touch me
I wont let you

Run the red light
Run it ohh

And any time that your walls start coming down
I ll be there in the front seat
Yelling run the red light
Run the red light
Run it
I hate the way that I don t say what I want
What I want
Is the world what you want
Run the red light
Run the red light
Run it

Run the red light
Run the red light
Run it

For the right time listen to the song, but it s quite simple;)
