

To Get To Sleep
British Sea Power

Intro: **A, E, D, E** (x2)

Verse 1

A **E**
Took a pill last night, just to get to sleep
D **E**
Put me on my back, not on my feet
A **E**
Propylene across your eyes
D **E**
To take me to the land of sighs

Verse 2

A **E**
Had a drink last night, just to get to sleep
D **E**
Put me on my back, knocked me off my feet
A **E**
Filled my skin with ethanol
D **E**
To find some peace, to let it fall

Chorus

(E) **A** **Bm** **E**
Eight hours a day - call it twenty years
A
There s a place you can go
Bm **E**
Free of lust, cupidity and fear

A **E**
Oh it left my heart broken
D **E**
It took my breath away
A **E**
A little lesson open
D **E**
A little more each day
A **E**
A little eyesore
D **E**
A little Nytol
A **E**
A little heartache

D E

A little soothe-all

Verse 3

A E D E
Melatonin, a little dose, takes things to a peaceful close

A E
Commerce runs through your veins

D E
And takes you from this waking plane

A E
Industry on your side

D E
To do what you do, when you get tired

Repeat Chorus

Instrumental

A,E,D,E (x2)

A E
A little eyesore

D E
A little Nytol

A E
A little heartache

D E
A little soothe-all

Outro instrumental: **A**
