She s gonna pack her bags, she s gonna find a way
 She s gonna get right out of this
 She don t want New York, she don t want LA
 She s gonna find that special kiss
 She don t want no sleep, she don t want no high
 Ooh, like peaches and cream
 She s gonna wish on stars and touch the sky
 You know what I mean?

She wants to _____, only to _____
 She needs to really really find what she wants
 She lands on both feet, won t take a back seat
 There s a brave new girl, and she s coming out tonight

She s gonna step outside, uncover her eyes
 Who knew she could feel so alive?
 Her M.O. s changed, she don t wanna behave
 Ain t it good to be a brave girl tonight?

Tonight, it s all right
 A brave girl tonight

So she met this man, he was kinda rough

He said girl, whatcha lookin for?
She said I don t know, I go with the flow
He said let s get on the floor
He said you look real cute with your lowride jeans
And your pink little baby tee
Let s get a room, girl
Come and ride with me

She wants to _____, only to _____
She needs to really really find what she wants
She lands on both feet, won t take a back seat
There s a brave new girl, and she s coming out tonight

She s gonna step outside, uncover her eyes
Who knew she could feel so alive?
Her M.O. s changed, she don t wanna behave
Ain t it good to be a brave girl tonight?

Tonight, it s all right
A brave girl tonight
Tonight, it s all right
A brave girl tonight

_____ keep on _____

She s gonna step outside, uncover her eyes
Who knew she could feel so alive?
Her M.O. s changed, she don t wanna behave
Ain t it good to be a brave girl tonight?

Tonight, it s all right
A brave girl tonight
A brave girl tonight
A brave girl tonight
