

**He About To Lose Me**  
**Britney Spears**

I suggest transposing to Am (down 1 step) for easier playing.

Verses - It might take a few listens to get it right but follow the rhythm of the hook in the recording and these chords work pretty good. The verse chords are perfect. If anyone has better suggestions for the chorus let me know.

**Bbm Ab Db F# Ab**

I m touching hands with someone seriously beautiful (A. I. A. A)  
I feel it burning and I know I m standing far too close (A. I. A. A)  
I m telling lies and if it shows I see that he don t care (A. I. A. A)  
I know he wants to take me home and get on outta here (A. I. A. A)

**Bbm**

But I got someone

**Ab**

Waiting at home

**Bbm**

**Ab**

He says he in love but lately I just don t know

**Bbm**

He don t see me

**Ab**

Or make me feel hot

**F#**

**F7**

Banging in the club with all my ladies and he don t know that

**Bbm**

**Ab**

He about to lose bout to lose bout to lose me

**Bbm**

**F#**

He about to lose me

**Bbm**

**Ab**

He about to lose bout to lose bout to lose me

**Bbm**

**F# Ab**

He about to lose me

I feel my body losing focus as he touches me (A. I. A. A)  
And I should go but I can t ovecome this chemistry (A. I. A. A)  
He pulls me close before he whispers something in my ear (A. I. A. A)  
He says he wants to take me home and get me outta here (A. I. A. A)

I got someone

Waiting at home

He says he in love but lately I just don t know

He don t see me or make me feel hot

Banging in the club with all my ladies and he don t know that
