Oh yeah

You don't have to say what's on your mind
cause I know where you've been
give it up and leave it all behind
and let me begin

(Chorus 1)

Come on over here
let me show how things should be
I will make it alright
let me make it clear
you can put your trust in me
yes I will be there

(Chorus 2)

When you need someone
you just turn around
and I will be there
when you're feeling low
baby let me know
and I will be there

Won't you let me make it up to you
now you know where I am
there ain't nothing that I wouldn't do
just to love once again

(Chorus 1 and 2)

(Bridge)

Just take a stand
I'll be here for you
now and forever
give one more chance
to show you how much I care
I'll be there

When you need someone
just turn around

and I will be there
when you re in sorrow
just let me know and I will be there

(Chorus 2)

I ll be there
(I will be there)

(I will be there)
I will be there
