

**Man On The Moon**  
**Britney Spears**

( G ) ( Em )  
Dark mascara dripping down my face  
( G ) ( Em )  
Only fools could ever feel this way  
( G ) ( Em )  
Send my message into outer space  
( G ) ( Em )  
Wonder if it s gonna float your way

G  
I can t compete with the stars in the sky  
Em  
I m invisible, invisible  
G  
I open the window to clear up my mind  
Em  
But it s difficult, so difficult

C  
Houston, I know there s a problem here  
D  
Must be a hole in the atmosphere  
C D  
Baby, I wanna be closer to love

G Em  
Patience, darling, wait for the night  
C D  
Darkness comes and love comes alive  
G Em  
I ve been right here dreaming of you  
C D G Em C D  
Waiting for my man on the moon... moon..

G Em  
Last night I was in your arms so strong  
G Em  
One small step and, baby, you were gone  
G Em  
Now there s meaning in the saddest songs  
G Em  
All I do is cry and sing along

C  
Drinking alone in my party dress

D  
Would you come back if I looked my best?

C D  
Put on a smile and I said to myself

G Em  
Patience, darling, wait for the night

C D  
Darkness comes and love comes alive

G Em  
I've been right here dreaming of you

C D G Em C D  
Waiting for my man on the moon... moon..

G Em C D  
Moon... moon..

G Em

G  
I can't compete with the stars in the sky

Em  
I'm invisible, invisible

G  
I open the window to clear up my mind

Em  
But it's difficult, so difficult

C D  
Château Marriott

C D  
Il m'amène au lieu du chevalier cet hiver

C D  
Cinq, quatre

C D  
troué, doux, homme

G Em  
Patience, darling, wait for the night

C D  
Darkness comes and love comes alive

G Em  
I've been right here dreaming of you

C D G Em C D  
Waiting for my man on the moon... moon..

G Em C D  
Moon... moon..
