

Me against the music

Britney Spears

Bm

[Madonna] Hey Britney?

[Britney] Are you ready?

[Madonna] Uh huh, are you?

C#m

No one cares

Bm

It s whippin my hair, it s pullin my waist

C#m

To hell with stares

Bm

The sweat is drippin all over my face

C#m

No one s there

Bm

I m the only one dancin up in this place

C#m

Tonight I m here

Bm

Feel the beat of the drum, gotta keep it that bass

Bm

I m up against the speaker, tryin to take on the music

It s like a competition, me against the beat

Em

Bm

I wanna get in the zone, I wanna get in the zone

Bm

If you really wanna battle, saddle up and get your rhythm

Tryin to hit it, chic-a-taa

Em

Bm

In a minute I m a take a you on, I m a take a you on

Hey, hey, hey

[CHORUS]

C#m

All my people on the floor

Bm

Let me see ya

C#m

All my people wantin more

Bm

Let me see you dance

I wanna see ya

C#m

All my people round and round

Bm

Let me see you dance

My soul is bare

Bm

My hips are movin at a rapid pace

C#m

Baby feel it burn

Bm

From the tip of my toes, runnin through my veins

C#m

And now it s your turn

Bm

Let me see what you got, don t hesitate

Bm
