Passenger Britney Spears

В I can t let go of control I can t let go and not know Don t know the way you re heading me One day at a time is all I need There was a time without trust F# There was a time without love G#m But it took you to show me I could handover the keys В I ll let you lead the way now Cause I want you to take the wheel I ve never been a passenger though I never knew how good it could feel В The road will twist and turn but I know that I am in good hands G#m I ve never been a passenger no But we ll see more without a map F# Without a map G#m Without a map Without a map В So let s take a walk and get lost Let s take a chance on finding us

I wanna see the world with you

Е

```
Every step feels so brand new
It s hard to jump with no net
But I ve jumped and got no regret
G#m
My co-pilot yeah that s right
Now I can just enjoy the ride
I ll let you lead the way now
F#
Cause I want you to take the wheel
G#m
I ve never been a passenger though
I never knew how good it could feel
The road will twist and turn but
F#
I know that I am in good hands
I ve never been a passenger no
But we ll see more without a map
         F#
Without a map
         G#m
Without a map
Without a map
В
And now we re finally falling
Cause I was giving you half now I m all in
My hands in the air while you re driving
This is living
This is living
          G#m
This is living
Yeah
I ll let you lead the way now
Cause I want you to take the wheel
 G#m
