

Seal It With A Kiss

Britney Spears

This is a relatively simple song to play because it is a very repetitive chord sequence throughout the song. Best to listen to the track for a strumming pattern

as they largely strike on the offbeat.

Verse chords:

Dm F Am Bb

See you out tonight

Smiling and talking

We can be polite when we know they re watching

But I want you like that,

Yeah, I want you like that

Yeah I want you, yeah I want you, yeah I want you like that

Say you re just a friend

I m a little liar

When we play pretend, party is on fire

Cause I like it like that

Yeah I like it like that

Yeah I like it, yeah I like it, yeah I like it like that

CHORUS

Dm F Am Bb

Pull me closer, don t be shy

Dm F Am Bb

Cross my heart and hope to die

Dm F Am Bb

Keep a secret, me and you

Dm F Am Dm

And seal it with a kiss (ooh ooh)

Dm F Am Bb

In the shadows where it s hot

Dm F Am Bb

Love the risk of getting caught

Dm F Am Bb

Wanna taste forbidden fruit

Dm F Am Dm

And seal it with a kiss (ooh ooh)

Verse 2:

When you look at me

There is no mistakin

Like telepathy

I know what you re thinking

That you want me like that
Yeah you want me like that
Yeah you want me, yeah you want me, yeah you want me like that

Ultraviolet light, burning hot like you do
Can we synchronise
Meet me in the backroom
Cause I like it like that
Yeah I like it like that
Yeah I like it, yeah I like it, yeah I like it like that

REPEAT CHORUS

Mid 8

Dm F Am Bb

Say you re just a friend
I m a little liar

REPEAT CHORUS
