

Shadow

Britney Spears

**A**

Your body s warm

**D G A**

But you are not

**A**

You give a little

**D G A**

Not A lot

**A D G A**

You coup your love until we kiss

**A D C G**

You re all I want but not like this

**G C**

I m watching you disappear

**G D**

But you, you were never here

Chorus

**(D) G**

It s only your shadow

**D**

Never yourself

**G**

It s only your shadow

**Bm C**

Nobody else

**(D) G**

It s only your shadow

**D**

Filling the room

**C**

Arriving to late

**Bm**

And leaving too soon

**(C) Bm C**

and leaving too soon

**A**

Your body gives

**D G A**

But then holds back

**A**

The sun is bright

**D G A**

The sky is black

**A D G A**

Can only be another sign

**A** **D** **C** **G**

I can not keep what isn't mine

**G** **C**

You left ?but still? linger on

**G** **D**

But you, you were almost gone

Chorus

**Bm** **C**

How can I tell you if you mean what you say?

**Bm** **C**

You say it so loud but you sound far away

**Bb** **Dm**

Maybe I had a just glimpse of your soul

**Bb** **F** **Dm** **C**

Was that your shadow I saw on the wall

**C** **Em**

I'm watching you disappear

**C** **D**

But you, you were never here

Chorus x2

Oh

**C** **G**

It's only your shadow
