Oh baby, oh baby
Oh baby, oh baby

In love no believe I never found inside of me
Built these walls up so high, needed my room to breathe
But oh baby, oh baby you tear them down
Can t believe you changed my mind
Oh baby, oh baby, I saw you smile
Stay with me a while

CHORUS

All things fall into place
My heart, it feels so safe
You are my melody
That s where you take me
With you I get so high
Lost in the crystal sky
You are this melody
That s where you take me

I never fell before, how did you find the door?
The key to my soul, to you forever more
Oh baby, oh baby you make me rise
Never did I once think twice
Oh baby, oh baby you make me smile
Stay with me a while

CHORUS - repeat

Afraid to let it all inside, now I want to hear you ll
Stay with me a while, stay with me a while

La la la la la la, la la la la la la
La la la la la la, la la la la
That s where you take me

CHORUS - repeat
