Oh baby, oh baby  
Oh baby, oh baby

In love no believe I never found inside of me  
Built these walls up so high, needed my room to breathe  
But oh baby, oh baby you tear them down  
Can t believe you changed my mind  
Oh baby, oh baby, I saw you smile  
Stay with me a while

CHORUS

All things fall into place  
My heart, it feels so safe  
You are my melody  
That s where you take me  
With you I get so high  
Lost in the crystal sky  
You are this melody  
That s where you take me

I never fell before, how did you find the door?  
The key to my soul, to you forever more  
Oh baby, oh baby you make me rise  
Never did I once think twice  
Oh baby, oh baby you make me smile  
Stay with me a while

CHORUS - repeat

Afraid to let it all inside, now I want to hear you ll  
Stay with me a while, stay with me a while

La la la la la la, la la la la la la  
La la la la la la, la la la la  
That s where you take me

CHORUS - repeat
