

Toy Soldier

Britney Spears

Yeah smash on the radio, bet I penned it!
Britney (break me off) [repeats]
Oh, toy soldier [repeats]

Bm

I m out the door, it s automatic, simple babe (why you wanna do that to me?)

D

I m like a fire, bottle busting in your face (why you wanna do that to me?)

G

So tired of you being up in my space (what you gonna do with that?)
How much more could I take?

F#

I m tired of privates driving, need a general that ain t weak...

Bm

When I shut the door leaving with my bag, hit the scene in my new wag

D

Bet he gonna wish he knew the type of fun I m getting into,

G

Peek a boo, he good...doing things you wish, you wish you could,

F#

He s not talking, he s just walking like them city boys from New York

Bm

This time I need a soldier, a really bad ass soldier
That know how to take, take care of me

D

I m so damn glad that s over

G

This time I need a soldier, I m sick of toy soldiers
(I needI m so sick of...toy soldiers...)

F#

A boy that knows how to take care of me,
Won t be just coming over...

Bm

I don t want no more (break me off) [repeats]
Oh, toy soldier [repeats]
I m simply sick and tired of those...

Bm

I don t want no more,
I m simply sick and tired of those...

Bm

I want it more than ever now,
I realized that they ain t listening,
D

Like a princess supposed to get it
That s why I m dusting off my fitted,

G

Coming back looking delicious,
Yes I know they wanna kiss me,

F#

Now I hold them at attention,
Cause new Britney s on a mission...

Bm

When I shut the door leaving with my bag, hit the scene in my new wag

D

Bet he gonna wish he knew the type of fun I m getting into,

G

Peek a boo, he good...doing things you wish, you wish you could,

F#

He s not talking, he s just walking like them city boys from New York

Bm

This time I need a soldier, a really bad ass soldier
That know how to take, take care of me

D

I m so damn glad that s over

G

This time I need a soldier, I m sick of toy soldiers
(I needI m so sick of...toy soldiers...)

F#

A boy that knows how to take care of me,
Won t be just coming over...

Bm

Brit, I heard that he was saying he s still in love with you, and

D

Brit, I heard he said he could stay if he wanted to, and

G

Brit, I heard every man out here is wanting you now

F#

Brit, I heard, I heard, what you gonna do now?

Bm

This time I need a soldier, a really bad ass soldier
That know how to take, take care of me

D

I m so damn glad that s over

G

This time I need a soldier, I m sick of toy soldiers
(I needI m so sick of...toy soldiers...)

F#

A boy that knows how to take care of me,
Won t be just coming over...
