Verse 2 (same as first verse)

Daddy-O,

You got the swagger of a champion

Too bad for you,

You just can t find the right companion

I guess when you have one too many,

Makes it hard, it could be easy

Who you are, that s just who you are baby

Lollipop,

Must mistake me, your re a sucker

To think that I,

Would be a victim not another

Say it, play it how you wanna

But no way, I m never gonna fall for you, never you baby

[Chorus]

A

Maybe if we both lived in a different world, yeah

E

(womanizer, womanizer, womanizer, womanizer)

A

It would be all good,

And maybe I could be your girl

D#

But I can t, cause we don t,

You...

[Chorus]

C#m

Boy don t try to front,

I-I know just, just what you are-are-are

Boy don t try to front,

I-I know just, just what you are-are-are
