Ooh...

I...

I was the game he would play  
He brought the clouds to my day  
Then like a ray of light  
You came out of the night  
Just one look and I knew  
You would make everything clear  
Make all the clouds disappear  
Put all your fears to rest  
Who do I love the best  
Don t you know  
Don t you know

You ve got it all over him  
You got me over him  
Honey it s true  
There s just you  
You must have been heaven sent  
Hearing me call  
You were out on a limb

And you re all that he s not  
Just look what I ve got  
Cause you ve got it all  
Over him  
All over  
You ve got it all over  
All over  
You ve got it all over

Now, don t let him worry you so

What s a matter with you  
I let go  
Oh you can surely see  
You re so much more to me

Just one look and I knew  
You would make everything clear  
Make all the clouds disappear  
You re better than all the rest  
Who do I love the best  
Yeah...  
Don t you know  
Don t you know

You ve got it all over him  
You got me over him  
Honey it s true (so true)  
There s just you  
You must have been heaven sent  
Hearing me call  
You went out on a limb

And you re all that he s not (all that he s not)  
Just look what I ve got (look what I ve got)  
Cause you ve got it all (you ve got it all)  
All over him

You ve got it all over him  
You got me over him  
Honey it s true (so true)  
There s just you  
You must have been heaven sent  
Hearing me call  
You went out on a limb (out on a limb)

And you re all that he s not (all that he s not)  
Just look what I ve got (look what I ve got)  
Cause you ve got it all (you ve got it all)  
Over him

All over  
You ve got it all over  
All over (uh, huh)  
You ve got it all over  
Him...
