Britt Nicole - Believe

Number beside chord means that all you need to 1 finger over that fret.

Tuning = C,G,C,F,A,D (drop C)

Eb in chorus is not a drop C bar chord but a A shape bar chord on the 5th and 4th string.

Opening riff and during verse 1 & 2

Wait, wait, wait, there s somethin that I gotta say
It ll take, take, take, just a minute so don t walk away
I search in circles for a remedy
To fight the poison that is killing me
It s like I m falling fast head over feet
Is anybody listening?

[CHORUS]

Ab(8)
I wanna believe
Eb Bb(10)
I wanna believe in love again
Ab(8)
I wanna believe
Eb Bb(10)
I wanna believe in love again
Ab(8) Eb
Tired of living this way, tired of everyday
Bb(10)
So will you help me
Ab(8)
I wanna breakthrough
Gm(7)
I wanna believe in you

Hey, hey, hey, why is everyday the same for me?
Fake, fake, fake, just pretend what I m suppose to be
I need an answer for my remedy
I need a Savior cause I m in too deep
I reach up,

Will You reach down here to me?

Gm(7)

You found me, You were looking for me

You found me, You were looking for me

You found me, You were waiting for me
I can see Your love
