Intro: **Am C D F**

Am

Hey there fear

C D F

I've seen you here before

Am

You keep coming back

C D F

And knocking at my door

Am C

For so long, so long

D F

I've been trying to soar

Am C F

With my hands tied up and my feet held to the floor

tabrefrão

Am C

But I'm feeling like a breakthrough is coming

D F

I can see that

Am C D Dm

A breakthrough is coming, coming for me

Am C

Cause my heart, it was made to fly

D F

Destiny can't be denied

Am

I'm tired of waiting

C Dm

I am overdue for a breakthrough

refrão

Am C D F

Oh, oh

Am

You used to have me stumbling

C D F

Yeah, tripping again and again

Am

But I've been studying you

C D F

And now I know you like the back of my hand

Am

You can't keep me here

C

I've cried too many tears

D

Yeah, I've had enough

F

Now I'm gonna call you bluff

Am

C

You made your bet, but the stage is set

D

F

Get ready cause I'm lighting the fuse

tabrefrão
