

Dont Worry Now
Britt Nicole

(intro) **G**

(verse 1)
(no chord)
Yeah

C **F/A**
Seven years old you heard me cry
C **G** **F/A**
I don t wanna say goodbye
C **F/A**
To the only man that I love
C **G** **Dm**
My daddy and everything he was
F/A
I don t think I could live without you
C **G** **F/A**
Dad I know you re breaking in two
C **Dm**
With tears running down his face, he says we re gonna make it
G
We re gonna make it

(refrão)

C
When you feel like you are all alone
F/A
Just like your best friend up and gone
C **G**
Don t worry now
Dm **G**
Don t worry now
C
I ve been there yeah, I know how it feels
F/A
To wonder if love is even real
C
Don t worry now
G
Don t worry now
Dm **G** **C**
Its gonna be??.. ok

(verse 2)

C **F/A**
I ve been trying to find a way to understand
C **G** **F/A**
When I can t see the picture of God s plan

C **F/A**
 Why would He let us hurt so bad?
C **G** **Dm**
 Can anything good come of these feelings that I have?
F/A
 He loved me more than the sand on the beaches
C **G** **F/A**
 He loved me more than the grass is green
C **Dm**
G
 And even though he had to go I always knew his love was part of me
 (refrão)
C
 When you feel like you are all alone
F/A
 Just like your best friend up and gone
C **G**
 Don t worry now
Dm **G**
 Don t worry now
C
 I ve been there yeah, I know how it feels
F/A
 To wonder if love is even real
C
 Don t worry now
G
 Don t worry now
 (bridge)
F/A
 It s taken so long to let this go
C
 It s taken so long to feel that
Dm
 You re right here next to me
G
 And I can finally breathe
F/A
 It s taken so long but now I know
G
 I ll have to find out on my own
C
 When nothing could convince me
Dm
 Your love it convinced me
Dm **G**
 That it s gonna be....ok
