Adjusted from Chordify.net

I just downstroke the whole song, since it s supposed to be tabbed like that.

Intro: **Dm/C/Bb/C**

Verse 1:

**Dm** **F**  
Illuminating lights under my skin  
**C** **G**  
Radiation so intoxicating burning within  
**Dm**  
Feel the heat slowly rising  
**F**  
The beat that s hypnotizing  
**Am** **C** **A**  
A wonder can you feel it  
**Dm** **F**  
Fire thats so contagious  
**C**  
Its taking over me  
**F** **Em**  
And you cant stop it

Chorus:

**Dm**  
Oh, oh  
**F**  
Turn the lights down so we can  
**C**  
Glow, glow  
**Em**  
Watch us come alive  
Were gonna  
**Dm**  
Show you something real  
**F**  
Like a city on a hill  
**C**  
Oh, oh  
**F** **Em**  
Were gonna glow

Verse 2:

**Dm** **F**  
They see us coming from miles away

**C**  
Theres no hiding, no denying,

**G**  
Cause were not ashamed

**Dm**  
With our hands up in the air

**F**  
Boys and girls they start to stare

**F** **C** **G**  
Its a wonder, can you feel it?

**Dm**  
We will not be silent  
Wont hide it

**C**  
The time is now

**F** **Em**  
And you cant stop it

Chorus:

**Dm**  
Oh, oh  
**F**  
Turn the lights down so we can

**C**  
Glow, glow

**Em**  
Watch us come alive  
Were gonna

**Dm**  
Show you something real

**F**  
Like a city on a hill

**C**  
Oh, oh

**F** **Em**  
Were gonna glow

**Dm**  
Oh, oh, here we go  
**C**  
Welcome to the show  
(**G**)  
Lights shining, so blinding  
From our head to our toes

**Dm**  
When this room blacks out

**F**

You know we will stand out

**C**

So come on, oh

**G**                **F** **Em**

Were gonna glow!

Chorus (2x)

**Dm**

Oh, oh

**F**

Turn the lights down so we can

**C**

Glow, glow

**Em**

Watch us come alive

Were gonna

**Dm**

Show you something real

**F**

Like a city on a hill

**C**

Oh, oh

**F**                **Em**

Were gonna glow

Glow

Glow

(4x)

**Dm**

Oh, oh here we go

Like a shooting star

Well 1-1-1-light up your heart

Show you something real
