

## Headphones

**Britt Nicole**

Hey everyone! This is one of my favorite songs! It s really catchy and has an awesome message. I couldn t find any other tabs of this song so I thought I d put one up! Hope you like it! If you do, please comment and rate! :)

Capo on 3

[Intro]

**C G Am F**  
Wha-oh, wha-oh, oh, oh wha-oh

[Verse 1]

**Am C**  
She gave it her best

**G**  
She tried to fit in

**F**  
She tried to be cool

But she never could win

**Am C**  
Her mom says she s great

**G**  
The kids think she s weird

**F**  
Honestly she wish she could disappear

**Am C G**  
Why you try, try to be like the rest of them

**F**  
When you know there s so much more within

**Am**  
there s only one you

**C**  
Here s what ya gotta do

**G F**  
Whoa, whoa...

[Chorus]

**C G**  
Anytime you feel alone, put on your headphones

**Am F**  
Love, love s coming through your headphones

**C G**  
Anytime you feel alone, put on your headphones

**Am F**  
Love, love s coming through your headphones

**C G Am F**  
L-o-o-ove is coming through your headphones  
**C G Am F**  
L-o-o-ove is coming through your headphones

[Verse 2]

**Am C**  
He gets in his car  
**G**  
He falls apart  
**F**  
It came to an end  
**Am**  
And now it s breaking his heart  
**C**  
He wants to give up  
**G**  
Wants to try again  
**F**  
Honestly he doesn t know what he s feeling

**Am C G**  
Hey, you might not see it with your eyes  
**F Am**  
But keep your head up to the sky  
**C**  
The sun is coming through  
**G**  
Here s what you gotta do  
**F**  
Whoa, whoa...

[Chorus]

**C G**  
Anytime you feel alone, put on your headphones  
**Am F**  
Love, love s coming through your headphones  
**C G**  
Anytime you feel alone, put on your headphones  
**Am F**  
Love, love s coming through your headphones  
**C G Am F**  
L-o-o-ove is coming through your headphones  
**C G Am F**  
L-o-o-ove is coming through your headphones

[Middle 8]

**C**  
So keep your head up high and  
**G**  
dust off your shoulders  
**Am F**  
it s alright, no, it s not over

**C** **G** **Am**  
Love is here, it came to dry up all your tears  
**F**  
Oh, can you feel it  
**C** **G**  
Gotta believe it, gotta see it  
**Am** **F**  
By your side in the middle of the night  
**C**  
So keep your head up high and  
**G**  
dust off your shoulders  
**Am** **F**  
it s alright, no, it s not over

[Chorus]

**C** **G**  
Anytime you feel alone, put on your headphones  
**Am** **F**  
Love, love s coming through your headphones  
**C** **G**  
Anytime you feel alone, put on your headphones  
**Am** **F**  
Love, love s coming through your headphones  
**C G Am F**  
L-o-o-ove is coming through your headphones  
**C G Am F**  
L-o-o-ove is coming through your headphones

**C**  
So keep your head up high and  
**G** **Am F**  
dust off your shoulders  
**C**  
So keep your head up high and  
**G** **Am F**  
dust off your shoulders

[Outrol]

**C** **G**  
Twinkle, twinkle in your eye  
**Am** **F**  
Listen to this lullaby  
**C** **G**  
The sun is shining in the sky  
**Am** **F**  
I see love it s in your eyes

**C** **G**  
This aint the first time you felt like this  
**Am**  
This ain t the first time,  
**F**

this ain t the first time

**C**

**G**

This ain t the last time you ll feel like this

**Am**

**F**

But it ll be fine

**C**

If you can just, smile
