

Still That Girl
Britt Nicole

Capo 3

[Intro]

G - D/F# - Em - Em (x2)

[Verse 1]

G

Dreams they come

D/F#

Plans they change

Em

Yeah we re gonna break

Em

Yeah we re gonna break

G **D/F#**

Things we face make us who we are

Em

Baby, you re a star, shining in the dark

G

D/F#

Let s go back to the summer, the summer when we

Em

dreamed and loved

Let s go back again

G

Let s go back again

D/F#

Yeah, back again

Em

My friend to the summer when...

Interlude: **G - Bm - Em - C**

[Verse 2]

G

I m holding a picture from seven years back

Bm

Em

I smile at the memory, you re smilin right back at me

C

G

And I see, brown hair and bright eyes, such a beautiful blue

Bm

A heart full of laughter with nothin to lose

Em

C

That s how I remember you

[Chorus]

G

You were young, you were free

Bm **Em**
And you dared to believe you could be the girl who could

C
change the world

G
Then your life took a turn

Bm
And you fell and it hurt

Em
But you re still that girl

C
And you re gonna change this world

G **Bm** **Em** **C**
Oh, oh, oh, oh, you re still that girl, you re still that girl

G **Bm** **Em** **C**
Oh, oh, oh, oh, you re still that girl, you re still that girl

[Verse 3]

G
Sometimes life don t go the way you planned

Bm
And we all have days when we just don t understand

Em **C**
Searching for meaning, it s not always easy

G
But you re stories not over, it s still bein told

Bm
Your sunrise is comin brighter than gold

Em **C**
Let s go back again to the summer when...

[Chorus]

G
You were young, you were free

Bm **Em**
And you dared to believe you could be the girl who could

C
change the world

G
Then your life took a turn

Bm
And you fell and it hurt

Em
But you re still that girl

C
And you re gonna change this world

G **Bm** **Em** **C**
Oh, oh, oh, oh, you re still that girl, you re still that girl

G **Bm** **Em** **C**
Oh, oh, oh, oh, you re still that girl, you re still that girl

[Bridge]

D **Em**

What if the picture is bigger than you see

D

C

And God has you right where He wants you to be

D

Just listen to your heart

Em

C

He s tellin you with every beat

You re still that girl...

[Interlude]

G - Bm - Em - C (Super-Strumming)

[Chorus]

G

You were young, you were free

Bm

Em

And you dared to believe you could be the girl who could

C

change the world

G

Then your life took a turn

Bm

And you fell and it hurt

Em

But you re still that girl
