```
The Lost Get Found
Britt Nicole
Capo 4
[Intro]
Bm7 D A E/F#
Bm7 D A E/F#
[Verse 1]
Bm7 D
Hello my friend
   E/F#
I remember when you were
Bm7 D
So alive with your wide eyes
                                   E/F#
Then the light that you had in your heart was stolen
Bm7
                    D
Now you say that it ain t worth stayin
               E/F#
You wanna run but you re hesitatin
Bm7
I m talkin to me
[Chorus]
D
Don t let your lights go down
         F#m
E/F#
Don t let your fire burn out
                                   E/F#
Cause somewhere, somebody needs a reason to believe
              Α
Why don t you rise up now?
           F#m D A E/F#
Don t be afraid to stand out
E/F#
                       D A E/F#
That s how the lost get found
E/F#
               DAE
The lost get found
[Verse 2]
Bm7
            D
So when you get the chance
          E/F#
Are you gonna take it?
There s a really big world at your fingertips
                           E/F#
And you know you have the chance to change it
Bm7
                 D
```

```
There s a girl on the streets, she s cryin
                    E/F#
There s a man whose faith is dyin
Bm7
Love is calling you
[Bridge]
F#m
Why do we go with the flow
Or take an easier road?
                      E/F#
Why are we playin it safe?
Love came to show us the way
Love is a chance we should take
                   E/F#
I m movin out of the way
[Interlude]
Bm7 D A E/F#
Bm7 D A E/F#
[Chorus 2]
Don t let your lights go down
Don t let your fire burn out
Cause somewhere, somebody needs a reason to believe
Don t let your lights go down
              F#m
Don t let your fire burn out
                                    E/F#
Cause somewhere, somebody needs a reason to believe
Why don t you rise up now?
          F#m
                         D A E/F#
Don t be afraid to stand out
E/F#
                         D A E/F#
That s how the lost get found
E/F#
              D A E/F#
The lost get found
Bm7
So when you get the chance
              F#m
Are you gonna take it?
There s a really big world at your fingertips
                           E/F#
And you know you have the chance to change it
```
