The Sun Is Rising Britt Nicole

Intro 2x: D A

D2 A9

When life has cut too deep and left you hurting

D2 A9

The future you had hoped for is now burning

F#m A9

And the dreams you held so tight have lost their meaning

D2 E

And you don t know if you ll ever find the healing

D2

You re gonna make it

Α9

You re gonna make it

F#m E

The night can only last for so long

D2

Whatever you re facing

AS

If your heart is breaking

F#m E

There s a promise for the ones who just hold on

D2 E

Lift up your eyes and see

F#m D2 A9 F#m E

The sun is rising... The sun is rising... The sun is rising...

D2 A9

Every high and every low you re gonna go through

D2 A9

You won t have to be afraid, I am with you

F#m A9

In the moments you re so weak you feel like stopping

D2 E

Let the hope you have light the road you re walking

D2

You re gonna make it

Α9

You re gonna make it

F#m E

The night can only last for so long

D2

Whatever you re facing

Α9

```
If your heart is breaking
There s a promise for the ones who just hold on
Lift up your eyes and see
    F#m
The sun is rising...
D2
 Even when you can t imagine how
How you ever gonna find your way out
Even when you re drowning in your doubt
                                Α9
                                         D2
Just look beyond the clouds...
D2
                                                  F#m
                         Α9
                                                                              Е
  The sun is rising...
                            The sun is rising...
                                                      The sun is rising...
The sun is rising...
Whatever you re facing
                 Α9
If your heart is breaking
There s a promise for the ones who just hold on
Lift up your eyes and see
The sun is rising...
D2
                         Α9
                                                  F#m
                                                                              Е
   The sun is rising...
                             The sun is rising...
                                                       The sun is rising...
The sun is rising...
D2
                              Α9
 Even when you can t imagine how
How you ever gonna find your way out
Even when you re drowning in your doubt
                     D2
                                Α9
                                         D2
Just look beyond the clouds...
D2
 Even when you can t imagine how
How you ever gonna find your way out
Even when you re drowning in your doubt
Just look beyond the clouds...
```
