

Might As Well Be Mars
Brittany Underwood

My first tab, since I couldn't find the chords anywhere I figured I'd just have to write my own..

I play it with the Capo on the 4th fret :)

Am **F** **C**
They tell me it's nice this time of year
G
Down on earth

Am **F**
But my head's been in the clouds
 C **G**
I'm acting weird and lost for words.

F
Falling like the stars
Dm **C** **G**
I'm falling fast and hard for something out of reach

C
I could be there but you wouldn't see me
G **Am**
Hover in the air, like I'm just a daydream, oh
 F
Why does it feel so far?
C
Close enough to touch but you're looking through me
G **Am** **F**
In the same room, a smile away feels miles from where you are
 G
Might as well be Mars

Am **F** **C**
Never been bound by gravity
 G
But I am now
Am **F** **C**
You have made a human out of me
 G
and pulled me down

F

 Dm
