

**Might As Well Be Mars**  
**Brittany Underwood**

My first tab, since I couldn't find the chords anywhere I figured I'd just have to write my own..

I play it with the Capo on the 4th fret :)

**Bbm** **F#** **C#**

They tell me it's nice this time of year

**G#**

Down on earth

**Bbm** **F#**

But my head's been in the clouds

**C#** **G#**

I'm acting weird and lost for words.

**F#**

Falling like the stars

**Ebm** **C#** **G#**

I'm falling fast and hard for something out of reach

**C#**

I could be there but you wouldn't see me

**G#** **Bbm**

Hover in the air, like I'm just a daydream, oh

**F#**

Why does it feel so far?

**C#**

Close enough to touch but you're looking through me

**G#** **Bbm** **F#**

In the same room, a smile away feels miles from where you are

**G#**

Might as well be Mars

**Bbm** **F#** **C#**

Never been bound by gravity

**G#**

But I am now

**Bbm** **F#** **C#**

You have made a human out of me

**G#**

and pulled me down

**F#**

Falling like the stars

**Ebm**

I'm falling fast and hard

**C#** **G#**

for something I can't reach.

**C#**

I could be there but you wouldn't see me

**G#**

**Bbm**

hover in the air like I'm just like a daydream, oh

**F#**

why does it feel so far?

**C#**

Close enough to touch but you're looking through me

**G#**

In the same room

**Bbm**

**F#**

a smile away feels miles from where you are

**G#**

Might as well be Mars.

**Bbm**

**F#**

**G#**

Oh, it might as well be Mars

**Bbm**

**F#**

Might as well be another galaxy

**C#**

**G#**

Calling long distance from a star

**C#**

I could be there but you wouldn't see me

**G#**

**Bbm**

hover in the air like I'm just a daydream, oh

**F#**

why does it feel so far?

**C#**

Close enough to touch but you're looking through me

**G#**

**Bbm**

**F#**

In the same room a smile away feels miles from where you are

**F#**

Might as well be Mars
