

Might As Well Be Mars
Brittany Underwood

My first tab, since I couldn't find the chords anywhere I figured I'd just have to write my own..

I play it with the Capo on the 4th fret :)

Gm **Eb** **Bb**

F
Down on earth

Gm **Eb**
But my head's been in the clouds

Bb **F**

Eb
Falling like the stars

Cm **Bb** **F**
I'm falling fast and hard for something out of reach

Bb
I could be there but you wouldn't see me

F **Gm**
Hover in the air, like I'm just a daydream, oh

Eb
Why does it feel so far?

Bb
Close enough to touch but you're looking through me

F **Gm** **Eb**
In the same room, a smile away feels miles from where you are

F
Might as well be Mars

But I am now
