

Might As Well Be Mars
Brittany Underwood

My first tab, since I couldn't find the chords anywhere I figured I'd just have to write my own..

I play it with the Capo on the 4th fret :)

Bm **G** **D**
They tell me it's nice this time of year

A
Down on earth

Bm **G**
But my head's been in the clouds

D **A**
I'm acting weird and lost for words.

G
Falling like the stars

Em **D** **A**
I'm falling fast and hard for something out of reach

D
I could be there but you wouldn't see me

A **Bm**
Hover in the air, like I'm just a daydream, oh

G
Why does it feel so far?

D
Close enough to touch but you're looking through me

A **Bm** **G**
In the same room, a smile away feels miles from where you are

A
Might as well be Mars

Bm **G** **D**
Never been bound by gravity

A
But I am now

Bm **G** **D**
You have made a human out of me
