**C F\* FÂ´**  
There was a battle with the temperature slowly falling around me.  
**C F\* FÂ´**  
Men of science, and the men of faith throwing rocks and calling names.

**G A F G C**

Men of science, and the men of faith throwing rocks and calling names.

**G A**  
I felt trapped. Collapsed.  
**F G C**  
Couldn't balance on my own two feet.  
**G A F G C**  
I saw my friends shaking uncontrollably from lack of heat

**C**  
And I finally did it.  
**F**  
And I'm finally warm.  
**G F**  
So shut down America and bring on the storm

C

I finally did it.
