Verse I

A5 G5 F5

Just know... it s getting easier to breathe.

A5 G5 F5

And I know... what your thinking, its not a waste of time.

A5 G5 F5

Failed the conformation, from your lips.

G5

You let me know that I, am worth this.

A5

If it s not too much trouble,

G5 F5 G5

Could you stop listing all of the things that could keep us apart?

A5

Maybe one day when we look back upon this.

F5 A5 F5-G5

We ll sit back and laugh at the things that can honestly make us doubt.

Chorus

C5

Lets take our time. Cause I just know.

F5 A5

That rushing a romance is a guaranteed killer.

G5

That will leave us dead in the wake.

F5

G5

Lets take our time. Cause I just know.

A5

G5

F5

That rushing a romance is a guaranteed killer.

G5

A5-G5-F5

That will leave us dead in the wake.

Intermission: A5 (strum twice. let ring.)

Verse II

A5

It s getting kind of hard to take it slow.

F5

When I am up all night thinking about you.

A5

It doesn t even matter how long it takes.

F5

I d be okay because we d be together some day.

A5

It s getting kind of hard to take it slow.

F5

When I am up all night thinking about you.

A5

It doesn t even matter how long it takes.

F5

I d be okay because we d be together some day.

Bridge:

A5

C5

Waiting and hoping for the next time.

F5

G5

Were together and staying up all night

A5

C5

Waiting and hoping for the next time.

F5

G5

I get to stare into your eyes!

[Repeat Chorus]

Intermission:

A5 G5

A5 G5

A5

But they don't understand they try their hardest to break us apart.

G5

They try to say that we were doomed straight from the start.

A5

G5

But we know the truth and that's good enough for us.

Outro (repeat 4 times)

A5

It about time I escape the shallow end of the pool.

F5

G5

This feels like something real. I am moving away from you.
