Am **D**
If we're told we're an asset
G **Em**
Why are we treated like a problem
Am **D**
And if you break our dreams
G **C**
Do our hearts not go to sleep

G **G/F#** **Em**
Like a dump for broken dreams
C **C/B** **Am**
Is how this country seems
G **G/F#** **Em**
Splinters of dreams
C
So it feels

Am **D**
If we're always discouraged
G **Em**
If time for us can't be afforded
Am **D**
If an open heart gets crushed down
G **C**
What then is rewarded

G **G/F#** **Em**
In this world inside a jar
C **C/B** **Am**
Our jobs are all we are
G **G/F#** **Em**
You are like a ghost

C

If you have none

G G/F# Em

When they say we have no use

C C/B Am

They must be deaf and blind

G G/F# Em

Why should we take abuse

C

I pay no mind

Am G Am G D D

Am D

If everything's perfunctory

G Em

Only made half-heartedly

Am D

If all is done by default

G C

What is done from the heart

G G/F# Em

Like a dump for broken dreams

C C/B Am

Is how this country seems

G G/F# Em

Splinters of dreams

C

So it feels

G G/F# Em

How come no one sees

C C/B Am

We're just categories

G G/F# Em

We live and die
