

Only Life I Know
Broder Daniel

(kompgitarren spelar med capo på 2:a bandet)
vers:

Em* **D**
I walk home the same old streets
G **C**
By grey walls and hard concrete
Em **D**
I see the factories' silhouette
G **C**
Oh my love I'm a poet

vers:

Em* **D**
I am only living
G **C**
When I am drinking
 Em **D**
Cause I got no alternatives
G **C**
I am out of initiatives

Ref:

Em **C** **G**
It's the only life I know
 C **C/B** **Am**
To wear the streets of this town
 G **G/F#** **Em**
To wear down the sidewalks home
 C **G**
It's the only life I learned
D **C**
To wear the street of this old town

vers:

Em* **D**
I watch the days go by
G **C**
While life is on standby
 Em **D**
But I've got no more time to give
G **C**
We all die, but not all live
