INTRO

F#m D F#m D
F#m D A E

VERSE 1

F#m **D** **F#m**
So you showed me around your town
D **F#m**
To hell again and back
D
Our love sucks
A **E** **F#m**
The way you made all the friends you depend on

VERSE 2

D **F#m**
I know it might seem wrong
D **F#m**
Cause your not the only one
D **A**
I remember my self as a lonely child
E
So I was
B
And you ve got me wrong
F#m
You ve got me wrong

CHORUS

F#m E B

Da Da Da Da Da

F#m A B

Da Da Da Da Da X2

VERSE 3

F#m D F#m

Remember what they say

D F#m

There s no shortcut to a dream

D

It s all blood and sweat

A E F#m

And life is what you manage in between

VERSE 4

D F#m

But what you don t know

D F#m

Is you re too young and eager to love

D

Seething eyes

A

So you re about to get into

E B

The ditch that you opened up

CHORUS

F#m E B

Da Da Da Da Da

F#m A B

Da Da Da Da Da X2

BRIDGE

A F#m

Sister s allay

D B

and leave you behind

A F#m

You want it sewn and I

D

I cut the light

B

of a lot of mood

A **F#m**

Sister you know not

D **B**

But for now just let it go

A **F#m**

Don't run, don't rush

D

Just flow

CHORUS - But Diff

F#m **E** **B**
Through the give and take you had to learn

F#m **A** **B**
How to cross the coals and not get burned

F#m **E** **B**
But you're really just a little girl

F#m **A** **B**
Playing in the park until the sun goes down

VERSE 5

F#m **D** **F#m**
sometime you want to rise

D **F#m**
One did it's our desire

D **A** **E**
No doubt you think you braided your own hair

F#m
So you're all grown up

VERSE 6

D **F#m**
Should you want to cross the line

D **F#m**
Which way do you want to fly

D **A** **E**
Pretend that love creating all the years

B
But you got me wrong

F#m
But you got me wrong

Nice Easy Tune To Play Along Too. Enjoy.....
