

The Ghost Inside Broken Bells

Saw them on Conan Last night and couldn't find any solid tabs so I put one together, pretty simple actually.

Intro: Emx4

Em **D** **A**
 She sold her love to a modern man
Em **D** **A**
 Cause solid currency s the hardest to love
Em **D** **A**
 All other modern hels you cover your eye
Em **D** **A**
 Don t let the lady finger blow in your hat
Em
 Di-da

Feel like a daughter
 Em D A Em
 She s like a star tonight
 D A
 Without wanting
 Em
 She gave up
 D A
 The ghost inside

Em **D** **A**
 Just like a whiskey bottle drained on the floor
Em **D** **A**
 She got no future, just a love to endure
Em **D** **A**
 This gives some matter to shaking her hide
Em **D** **A**
 Too late to leave him are the songs in her car
Em
 Di-di-da

The chorus stays the same, and the rest of the song keeps up the same chord progression, hope this helps
