A-

D- 5 4 2 0

Intro: **D C# G G**

D C# G G

All my friends in magazines

D C# G G

Got addicted to the wood leaves

D C# G G

And they all wrote songs that they believe

D C# G G

Little lives and massive dreams

F#7 G (riff 2)

And they all request that you slow down

F#7 G (riff 2)

And they all request that you slow down

D C# Bm

You've got to turn it around

G

And make a save

There's a whore inside their bed

The duvets wish that they were still wet

And all the songs they wrote instead

Your ex-lover is not dead

And they all request that you slow down
Youâ€™ve got to turn it around
And make a save

All my friends in magazines
Got addicted to the wood leaves
And all the songs that you believe
Once they stop you canâ€™t repeat
(Yeah) Once you stop you canâ€™t repeat
